Work Experience

Freelance Designer | Various Clients *2016 - Present*

Product Design, E-commerce Design *New York*

- Created detailed target user personas, user flows, wireframes, low-fidelity and high-fidelity prototypes with Figma and Miro; iterated on UI/UX design for a legal web app; worked closely with developers for implementation
- Designed product pages and UX writing for an e-commerce website that provides US merchandise to Japanese customers; implemented HTML/CSS and updated product pages regularly

Interior Design *New Jersey / Tokyo (Remote)*

- Interviewed individual clients in NJ to identify their needs and problems, created mood boards, translated needs into designs and iterated designs to meet clients' goals (bathrooms and kitchens)
- Created detailed interior plans including mood boards, materials and color schemes aligned with brand design system for a luxury car garage apartment in Tokyo

Graphic Design *Tokyo (Remote)*

- Designed brand catalogs, brochures, print ads and business cards for various clients

Clients *LienDonkey, Cube New York, Individual clients, infist Design, The Garage House incell, Reminisce*

Pro Bono Graphic Designer | NGO PLAS* *2007 - 2017 Tokyo, Japan (Remote from 2016)*

**NGO PLAS is a non-profit organization that supports children and families in poverty in Africa and gives them hope and smiles*

- Designed an annual report brochure to convey the organization’ s activities, results and finances to supporters
- Created a special website and a brochure for World AIDS Day every year to enlighten the organization’ s work and attract support; worked closely with a developer and a PM
- Collaborated with leadership to design and produce business cards that best fit their mission, vision, and goals

Senior Designer / Art Director | infist Design co., ltd *2007 - 2015 Tokyo, Japan*

E-commerce Design

- Designed and managed multiple e-commerce websites to sell original products; implemented HTML and UX writing

Industrial Design, Interior Design

- Led art direction for a luxury garage house brand and designed all creative materials, resulting in very high occupancy rates and waiting lists for future openings
- Responsible for managing and designing a variety of projects and brands from conceptual ideas to delivered products such as furniture, products for musicians, miscellaneous goods, etc.
- Designed store furniture for various brands and responsible for creating store layout plans, increasing sales by an average of 33%
- Directed and designed interior and exterior plans including mood boards, detailed design sheets; created color schemes for various clients (stores, homes, apartments, etc.); worked with architects and contractors to execute accurate deliverables
- Collaborated with clients' project teams to gain insights into their needs to improve quality of work

Brand Design, Graphic Design

- Responsible for building brands for various clients to convey their philosophy; directed to create brand vision, visual identity, brand personality, brand color, persona, etc.
- Led and created brand catalogs for various clients to help drive revenue
- Directed photo shoots of products for e-commerce as an art director with Sanyei Corporation, resulting in a 1230% increase in sales in three years (from 30million yen to 400million yen)

Clients *Sanyei Corporation, The Garage House incell, Audi Shinjuku, Trinity Arts, Actus, Wacoal, Tempur Japan, Shimamura Music*

Freelance Graphic Designer | Reindeer and Creative *2007 Tokyo, Japan*

- Created new product catalogs to promote new features for Canon; worked with illustrators, copywriters and CDs
- Collaborated with an outside project team to design for visual communication media, such as collateral, banners and large format graphics for Idemitsu, an oil company
- Designed box tissue package graphics for Nepia, a paper-manufacturing company, worked with several designers and delivered 10+ designs

Clients *Dentsu, Hakuhodo, Canon, Nepia, Idemitsu*
